Солнечные
ступеньки®

Уважаемые родители и педагоги!

Предлагаем вашему вниманию серию тетрадок для дошкольного образования «Солнечные ступеньки».

Перед вами тетрадь, занимаясь по которой вы можете детям младшего дошкольного возраста развить процессы внимания, мышления, а также мелкую моторику, то есть координацию движения руки.

Игровая форма работы позволяет вашему малышу с удовольствием заниматься по этой тетрадке.

Все задания соответствуют задачам умственного развития и воспитания, определенным «Типовой программой воспитания и обучения в детском саду».

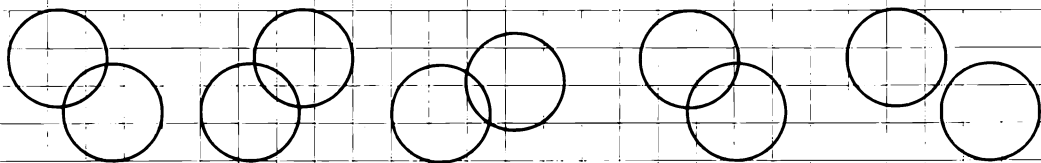

Данная методика овладения навыками письма используется на протяжении 10 лет.

Каждое занятие – новая солнечная ступенька к вершине дошкольных знаний!

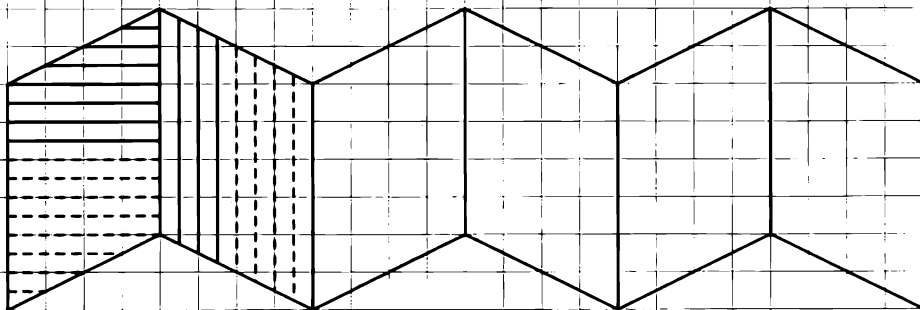

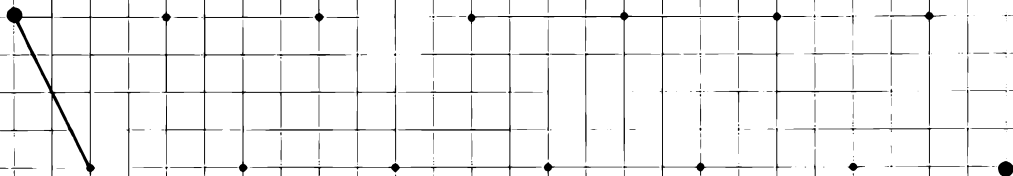

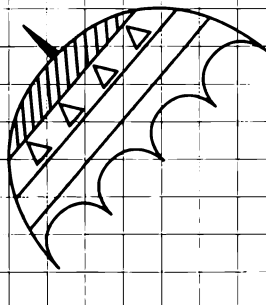

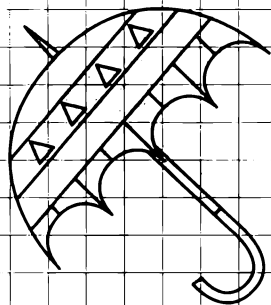

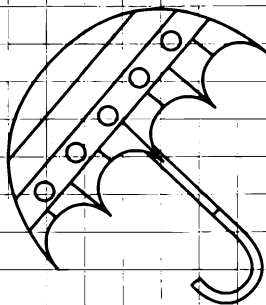

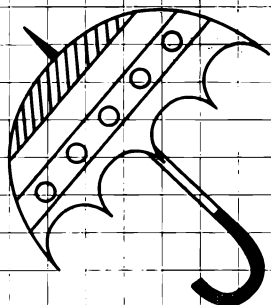

Тысячи детишек, обучаясь по данным тетрадкам, смогли успешно поступить в самые престижные школы и лицеи.

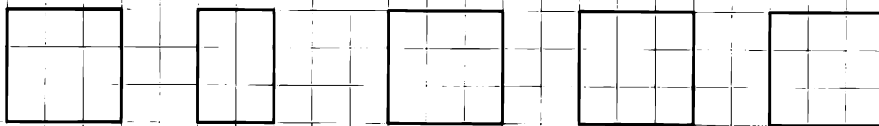

Встретимся на «Солнечных ступеньках»!
